

Vancouver Wood Solutions Fair - SCHEDULE

7:00 a.m.
7:45 a.m.

Registration - Vancouver Convention Centre East - Meeting Level
Exhibit Hall Opens - South Foyer

Courses are approved by:

April 22, 2010

Vancouver Convention Centre East

TRACK 1 Room 8	TRACK 2 Room 11	TRACK 3 Room 12	TRACK 4 Room 13	TRACK 5 Room 19 & 20
-------------------	--------------------	--------------------	--------------------	-------------------------

Seminars - Session 1

8:30 a.m. - 9:30 a.m.

A Case Study of a Six-storey Hybrid Wood-Concrete Office Building in Québec	Eden Project - The Core, Cornwall, England	2009/10 Wood Design Awards: North America, Ontario, British Columbia	Green Building Rating Systems: How Does Wood Fit?	Deterioration Challenges and Durability by Design
Sylvain Gagnon, P. Eng: Research Scientist, FP Innovations, Québec	Ulrich Dangel, School of Architecture, University of Texas	Marianne Berubé, Wood WORKS! Ontario	Helen Goodland, Executive Director of Light House Sustainable Building Centre	Jieying Wang, PhD. Wood Treatment Scientist. Durability and Protection Group, FP Innovations

A Canadian Wood Council Event

Canadian Wood Council
Conseil canadien du bois

Seminars - Session 2

10:00 a.m. - 11:00 a.m.

California Mid-rise Construction - Lessons Learned (structural wood details that work... and some that don't)	Providing Fire Safety in Six-storey Wood-frame Residential Buildings	Building Green with Wood Construction	Durability by Nature and Durability by Treatment - Including Coatings	BC's Wood First Act: What Does It Mean to You?
Bill Nelson, NCE, Inc. Consulting Structural Engineers, Irvine, California	Jim Mehaffey, PhD, Representing FP Innovations	Jim Stefano, P.E., AIA, Pres., DeStefano & Chamberlain, Inc, Fairfield, Connecticut	Paul Morris, PhD, Group Leader - Durability and Protection, FP Innovations	Peter Fuglem, Executive Director, Wood First Initiative, Ministry of Forest & Range, Prov. of BC

GOLD SPONSORS

Seminars - Session 3

11:15 a.m. - 12:15 p.m.

NEESWood Capstone tests - seen storey building in simulated earthquakes on world's largest shake table in Miki, Japan	Cross Laminated Structural Timber used innovatively in two new School Academy Buildings in the UK	Western Red Cedar-Distinctive, Sustainable Designs	A Preview of Upcoming Design Tools for Timber Connection Design	Use of Wood in Retrofit of Coquitlam Recreation Centre
Steve Pryor, P.E., S.E., International Director of Building Systems, Simpson Strong-Tie, California	Sophie Campbell BA Arch, Dip Arch, RIBA, London, England	Paul Mackie, Western Red Cedar Lumber Association	Peggy Lepper, M.SC.F. Director of Technical Services, Canadian Wood Council	Jozef Jakubowski, P. Eng., Bogdonov Pao Associates Ltd

12:15 p.m. - 1:20 p.m.

Complimentary Lunch - East Ballroom AB on Level 1

1:25 p.m. - 2:25 p.m.

Seminars - Session 4

California Mid-rise Construction - Lessons Learned (structural wood details that work... and some that don't)	Eden Project - The Core, Cornwall, England	Building Green with Wood Construction	Deterioration Challenges and Durability by Design	BC's Wood First Act: What Does It Mean to You?
Bill Nelson, NCE, Inc. Consulting Structural Engineers, Irvine, California	Ulrich Dangel, School of Architecture, University of Texas	Jim Stefano, P.E., AIA, Pres., DeStefano & Chamberlain, Inc, Fairfield, Connecticut	Jieying Wang, PhD. Wood Treatment Scientist. Durability and Protection Group, FP Innovations	Peter Fuglem, Executive Director, Wood First Initiative, Ministry of Forest & Range, Prov. of BC

2:35 p.m. - 3:35 p.m.

Seminars - Session 5

A Case Study of a Six-storey Hybrid Wood-Concrete Office Building in Québec	Durability by Nature and Durability by Treatment - Including Coatings	Green Building Rating Systems: How Does Wood Fit?	Western Red Cedar-Distinctive, Sustainable Designs	NEESWood Capstone tests - seven storey building in simulated earthquakes on world's largest shake table in Miki, Japan
Sylvain Gagnon, P. Eng: Research Scientist, FP Innovations, Québec	Paul Morris, PhD, Group Leader - Durability and Protection, FP Innovations	Helen Goodland, Executive Director of Light House Sustainable Building Centre	Paul Mackie, Western Red Cedar Lumber Association	Steve Pryor, P.E., S.E., International Director of Building Systems, Simpson Strong-Tie, California

3:45 p.m. - 4:45 p.m.

Seminars - Session 6

2009/10 Wood Design Awards: North America, Ontario, British Columbia	Providing Fire Safety in Six-storey Wood-frame Residential Buildings	Cross Laminated Structural Timber used innovatively in two new School Academy Buildings in the UK	Use of Wood in Retrofit of Coquitlam Recreation Centre	A Preview of Upcoming Design Tools for Timber Connection Design
Marianne Berubé, Wood WORKS! Ontario	Jim Mehaffey, PhD, Representing FP Innovations	Sophie Campbell BA Arch, Dip Arch, RIBA, London, England	Jozef Jakubowski, P. Eng., Bogdonov Pao Associates Ltd	Peggy Lepper, M.SC.F. Director of Technical Services, Canadian Wood Council

3:45 p.m.
