If the contest has been incorporated into the deliverables of the class that it is introduced in, please indicate the % value of the students' final mark:

To help place the competition in context, we are available to deliver a 15 minute presentation covering the forest products industry, the role of Wood WORKS! and the Canadian Wood Council, and the purpose of the contest. At this time we would also be able to answer any questions students have concerning the competition. If you would like to arrange for us to speak to your students, please give an indication of two or three times in February or early March that would be convenient to make a presentation.
